RE: Application to Increase Maximum Rates on Obsolete Residential Calling Plans on behalf of Qwest LD Corp., T-04190A

Dear Sir or Madam:

Pursuant to R14-2-1110, Qwest LD Corp. hereby submits this application to increase the maximum tariffed rates for a competitive telecommunications service. Qwest applies to increase the maximum monthly charges for various obsolete residential calling plans. As grounds therefore, Qwest states as follows:

Reasons for Rate Increase

The new rates requested by Qwest are just and reasonable. In a competitive market, such as the residential direct dialed long distance market, if a customer does not agree that the rate charged is fair and reasonable, that customer can choose a new provider.

Customer Notification

Qwest has properly notified its customers of the proposed increases consistent with the Commission's requirements. See notice and affidavit of mailing attached as Exhibit 1.

Schedule of Current and Proposed Maximum Rates

The table below sets out the current and proposed maximum rates.

	Current Maximum Monthly Rate Per Account	Proposed Maximum Monthly Rate Per Account
QLDC 10 Cent Single Rate Plan	\$0.99	\$1.99
QLDC 5 Cent Saver Plan	\$0.99	\$1.99
QLDC 7 Cent Preferred Plan	\$0.99	\$1.99
QLDC Unlimited Long Distance Plan	\$0.99	\$1.99
QLDC Preferred Unlimited	\$0.99	\$1.99

QLDC 7 Cent Anywhere	\$0.99	\$1.99
QLDC 5 Cent Preferred	\$0.99	\$1.99
QLDC Choice Long Distance	\$0.99	\$1.99

Estimated Revenues

The additional estimated potential annual revenue to be derived from the proposed increases is shown in Confidential Exhibit 2, which has been redacted for filing with Docket Control, but will be provided separately to Staff.

Proposed Effective Date

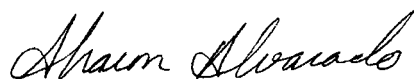

The proposed effective date for this change is March 10, 2007. This change will only go into effect upon approval from the Commission.

Revised Tariff Pages

Attached as Exhibit 3 to this application are the tariff pages, an original and fourteen (14) copies to Qwest LD Corp.'s ("QLDC") Tariff No.2.

For the foregoing reasons, Qwest respectfully requests that the Commission approve Qwest's request to increase its maximum rates on the obsolete residential long distance calling plans listed above. If you have any questions concerning this matter please contact Sharon Alvarado at 303-896-0845.

Sincerely,
